1. Pay & Play Court Bookings

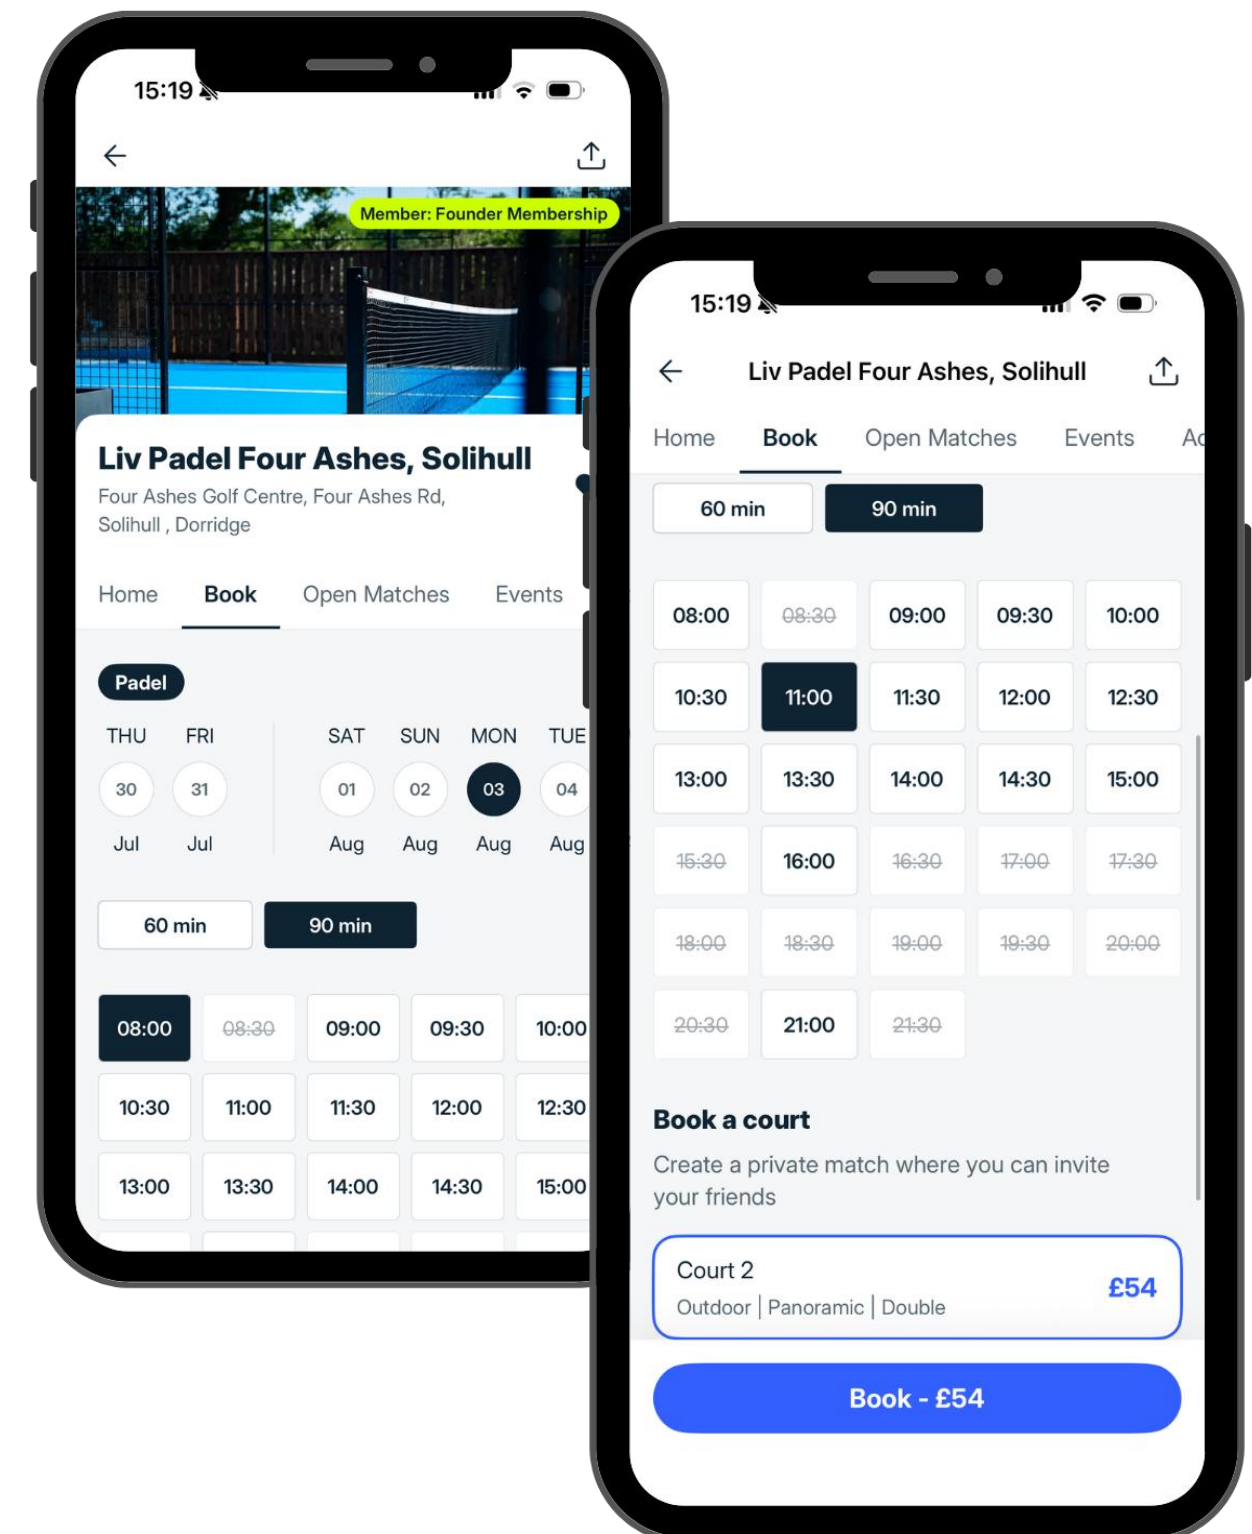

There's nothing quite like padel with friends and family, or a competitive match.

As a Founding Member you can book Pay & Play Court Bookings, Monday to Friday 8am to 4pm, using your wallet credit. The £80 wallet credit each month (for just the £40 membership fee) means such bookings are essentially half price to Founding Members and your money goes twice as far!

The wallet credit can be used to cover:

- The **full court cost** (if treating your friends!) or just **your quarter portion** of the court cost
- **Pay & Play Court Bookings**
- **Open Matches** - Prefer to play with new faces? Join a Playtomic open match and use your Playtomic rating (a simple score of your playing level) to find players around your level. It's an easy way to build your game, your rating and your padel circle!

2. Coaching

PAUL JESSOP

HEAD COACH & GENERAL MANAGER

An elite racket-sports pedigree and two decades of international coaching experience, now leading the Liv Padel Coaching Programme.

Group Coaching

Coaching is one of the best ways to fall in love with padel and improve your game! Our sessions build your technique and tactics, help you learn the rules and court positioning, and speed up your improvement - all while having fun with others at a similar level.

We offer a range of sessions for every stage of your padel journey, and they're a great chance to meet our Head Coach and new people at the club.

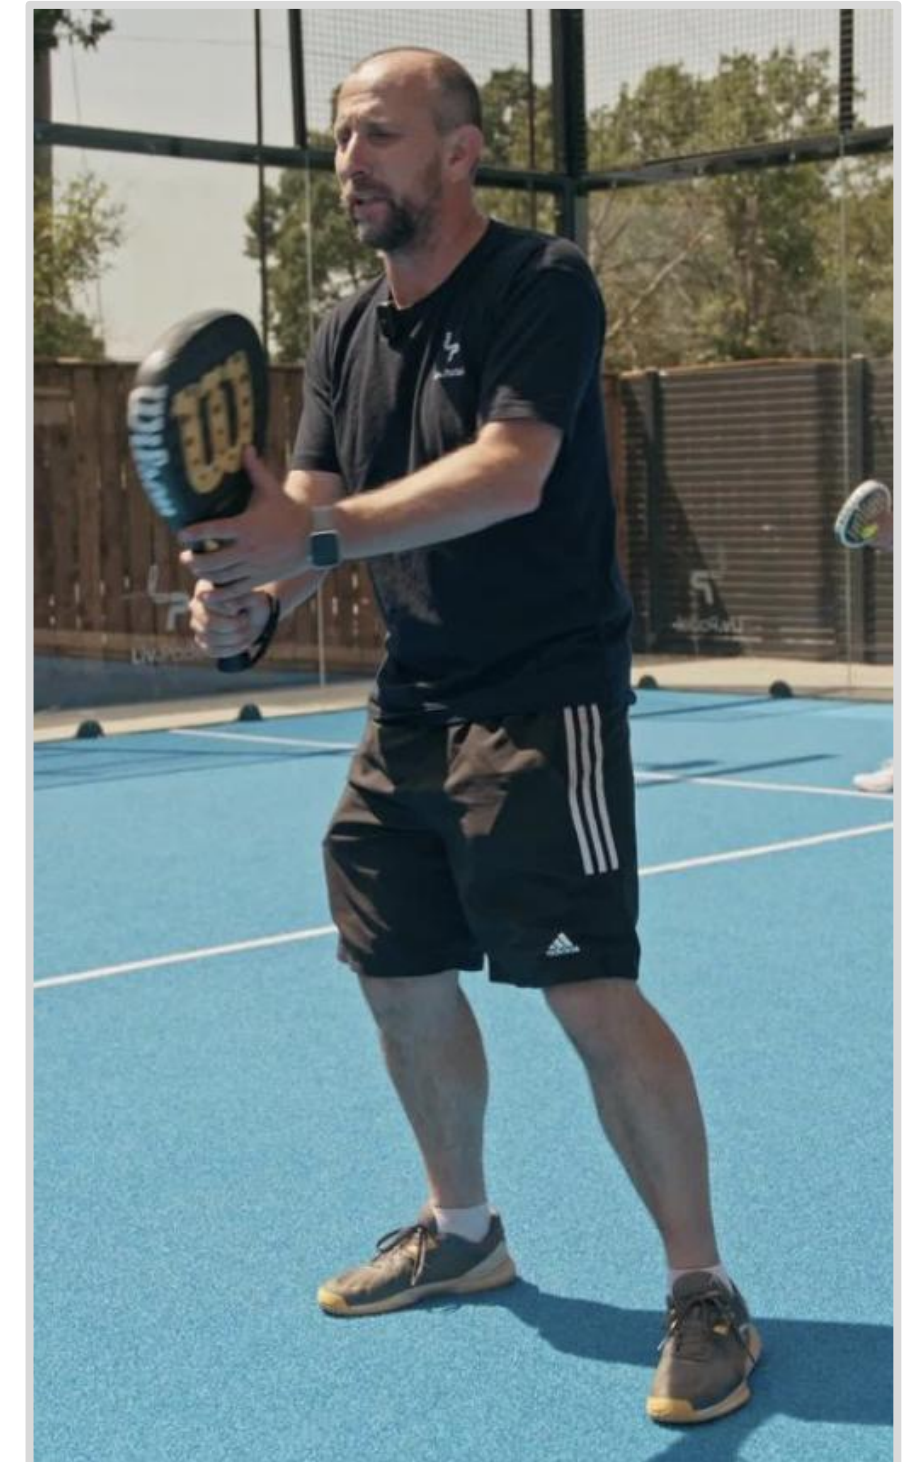

Group Coaching sessions (currently £15 per person) are essentially half price to Founding Members - your money goes twice as far!

Private Coaching

Contact Paul for private coaching. As a Founding Member you can use up to £20 of wallet credit per month towards a private coaching session (applicable to Off Peak slots and subject to availability).

3. Group Socials

A relaxed way to play. Group Socials are the perfect way to learn, enjoy friendly games, meet new people, and unwind at Liv Padel — no pressure, just great padel and good company.

We currently run our Ladies Padel & Coffee (social matchplay) on a Wednesday, but we expect more Group Social sessions will be added to the Liv Padel calendar soon!

Group Social sessions (currently £15) are essentially half price to Founding Members - your money goes twice as far!

4. Friendly Tournaments

Enjoy your Friday with one of the most popular formats in padel. Our Friday Americano Tournament is designed to give players maximum court time, a variety of partners and opponents, and plenty of competitive action in a fun, welcoming environment. Unlike traditional tournaments, you'll rotate throughout the session, playing alongside and against different players while your individual score follows you from round to round. Every point contributes to the final standings, meaning every game remains competitive right until the last ball.

Whether you're looking to test your skills, improve your matchplay, or simply enjoy a great game of padel, the Americano format guarantees plenty of exciting rallies and close contests.

Friendly Tournaments (currently £15) are essentially half price to Founding Members - your money goes twice as far!

FAQs

- 🔊 **Is there a joining fee?** No, although this may change in the future.
- 🔊 **If I miss the window but would like to join in the future, can I?** We will add you to a waitlist and notify you if any future membership options become available after the Founding Memberships close.
- 🔊 **When does payment get taken?** Payment is taken when you sign up, and on that same date each future month. For example if you sign up on the 5th, each of your subsequent payments will be taken on the 5th.
- 🔊 **Do I need to set up a Direct Debit?** No – the memberships work through a monthly subscription.
- 🔊 **Can I quit?** Yes, but we cannot promise there will be space to re-join. Once Founding Memberships have sold out (or we reach the 31 October 2026 Founding Member deadline), there will be no more.
- 🔊 **What happens if I quit?** You will retain your membership benefits for that month until what would have been your next renewal date.
- 🔊 **What happens at the start of month?** At the start of each month your wallet credit resets to £80.
- 🔊 **Can I top up wallet credit during the month?** Yes – let's say during the month you've used £75 of wallet credit and have £5 remaining but would like to book onto a coaching session costing £15, you can make a payment to top up your credit for the balance i.e. £10 in this case. You will then have £15 wallet credit to book the coaching session.
- 🔊 **Can I still book slots outside Monday to Friday 8am to 4pm?** Yes, you can pay as normal for these courts (as if you were a non-member) - you cannot use your Founding Member wallet credit though. Don't forget, as a Founding Member you will have advanced booking ability on all booking slots Monday to Sunday 8am to 10pm!
